

## Angela Loeb's One-On-One Consulting Services

*One-on-one sessions covering areas such as personal branding, career visioning, resume development, job search strategy, verbal positioning/networking, job lead development, interview preparation and salary negotiation.*

### One-Hour Personalized Session

Includes:

- Preparation Time: Prior to your session, Angela spends 30 minutes or more carefully reviewing your materials and resume in order to strategize for your individual needs.
- 60-Minute Session: During this in-person or phone session devoted to your specific situation, Angela gives you personalized attention, expertise and professional objectivity. The goal is to make you feel more empowered, become more productive and get results.
- Follow-Up Email: Angela composes and sends you an email by that evening after the session. This e-mail recaps the work from the session and outlines suggested action steps and resources to energize your search.

**Single Session \$200**

### Single Session Plus Email Support

Includes:

- Preparation Time: Prior to your session, Angela spends 30 minutes or more carefully reviewing your materials and resume in order to strategize for your individual needs.
- 60-Minute Session: During this in-person or phone session devoted to your specific situation, Angela gives you personalized attention, expertise and professional objectivity. The goal is to make you feel more empowered, become more productive and get results.
- Follow-Up Email: Angela composes and sends you an email after the session to recap the discussion and outline suggested action steps and resources.
